(GREENWOOD LAKE, NY) On **Jul 15, 2023** Greenwood Lake Theater will present *Back To The Future: A Musical Revue*. This will be a celebration of our seven years of professional theater in the Hudson Valley. This revue will feature selections from some of our favorite shows over the years, such as *The Wizard of Oz* and *Into The Woods*, as well as songs from shows that we hope to produce in the future! This performance will take place at The Warwick Institute of Culture (The WICK) at 46 Bowen Road in Warwick, NY. All tickets at \$10, which can be purchased in advance through our website. The doors will open at 5pm for refreshments, including beer and wine. Raffle tickets will also be available for purchase. This is a family-friendly event- all ages are welcome!

“This is not just a performance. It is a party to celebrate our seven years of bringing professional theater to our community” says Mary McKinley, co-artistic director of Greenwood Lake Theater. “What better way to commemorate the occasion than to take a trip down memory lane? We can revisit past favorite shows as well as look to the future. We have so many productions that we are excited to bring to our audiences in the years to come.”

Katherine Weatherford, co-artistic director said. “We had hoped to have a big anniversary celebration to mark five years in this community, but that fell during a time when we were unable to do much live theater due to the pandemic. So here we are with a seven year celebration instead! In a way, this is even better. We made it through a tough time, and are ready

to keep moving forward. Our community- our audiences, families, and friends- are the reason we are still here, and we can't wait to celebrate with everyone ”

So come out and enjoy songs from *Oliver!*, *The Wizard of Oz*, *Into the Woods*, *25th Annual Putnam County Spelling Bee*, *Cabaret*, *The Sound of Music*, *Les Miserables*, and more! There will be a wonderful evening of theater and song, along with drinks and delicious food courtesy of Split Oak.
